

# Are You Searching for Something More?

## \*Super Saturday\*

Coming in the month of August...

### What is Super Saturday?

Super Saturday is a Saturday morning event geared toward youth, young adults and those young at heart. We will study scripture and address contemporary issues that affect the lives of youth and young adults. This is a pilot project for four weeks. Success will determine if this will be an ongoing program.

#### **Are you searching for happiness? Where are you looking?**

We have more access to entertainment, education, social networking, and material “stuff” than ever before, yet they often leave us feeling empty, and sometimes confused.

On Super Saturday, we will share the trials and struggles youth and young adults face in their search for happiness. We will discuss and share Biblical insight into the fleeting nature of happiness and the true meaning of joy.

Four video-driven sessions:

- 8/21- Searching for Happiness in Relationships
- 8/28- Searching for Happiness in Accomplishments
- 9/11- Searching for Happiness in Appearances
- 9/18- Searching for Happiness Despite Circumstances

To register, please contact the Administrative Assistant, Sheree Bailey, at the church office (973) 673-1745.
